

# HYPERTUFA

Based on ancient techniques with different mixtures used over the years to create faux rock for decorative uses, HYPERTUFA is craft that anyone can learn and enjoy the result.

Sign up for MTRA's Hypertufa class and you will learn the all natural recipe and create three permanent concrete planters that are lighter in weight than standard concrete and will take on a beautiful old world patina as they age.

For \$75, we'll supply the knowledge, the materials and the fun! Bring a brown bag lunch and dress for comfort and potential grime. Two of the pots will accommodate a decorative tile no larger than 4"x4" (bring your own or we will have some available to purchase from \$3-5).

**WHEN:** October 21, 2012, 10 am until 2 pm

**WHERE:** MTRA, 6850 SE 41st Ct, Ocala

**COST:** \$75 per person, reservation and payment must be received by October 14.

*Complete the reservation form and reserve your spot today! Limited openings.*

**PROCEEDS BENEFIT MARION THERAPEUTIC RIDING ASSOCIATION**

# YES, please reserve my spot in the 2012 MTRA HYPERTUFA WORKSHOP!
